

School Bulletin Friday 28th November 2025

Assessments and testing are always a hot topic in education and I am sure you will have your own opinions about their value. Next week will see our key stage 2 pupils take part in a variety of assessments in English and Maths. You might ask what happens when they are completed and simply they allow us to make decisions about where additional support may be needed and check to see if we may need to go over an area of learning again.

Viewed through that lens they ensure we are giving your children the best possible opportunities to gain an exceptional educational experience and I think we can all agree on the importance of that.

Have a great weekend.

Mr Cooper

Attendance: 24th November – 28th November - Whole School 96.2%

Scholastic Book Fair 2025

As you can see our librarians are extremely happy after the incredible support everyone gave to our Scholastic Book Fair last week!

A massive thank you to everyone who came and purchased books. I am delighted to report that we earned £200 worth of books for the school which will be making their way into our library soon.

For those of you waiting on orders, we are hoping to receive them by the end of next week.

Thank you once again- these events only work because of the amazing support you all give to them and you have once again helped to make a difference to the children of Luxulyan School and the books they can read.
