

### School Bulletin Friday 1<sup>st</sup> May 2026

#### Notenn a-dhia Penndhyskader/Note from the Headteacher

We have had another great week of learning in school with a wide range of experiences and the chance for all of our pupils to see the ducklings. This is always a great week in the school calendar.

I am so proud of the offer our staff bring to your children each day in ever more trying circumstances in our primary schools. The funding we receive feels inadequate to cover school requirements and we can feel trapped in a cycle of having to do more with less. You will hear that this is due to falling birth rates. There is some truth in that but there are wider discussions to be had about our priorities as a country.

In a climate of falling pupil numbers I am pleased to say that we will be full again next year. It is so important for our community that we have a viable school offering of the highest possible quality.

Your support is appreciated but, more importantly, vital in these difficult times.

**Mr Cooper - Headteacher**

#### Attendance: 27<sup>th</sup> April – 1<sup>st</sup> May - Whole School 96.4%

For all CELT schools this attendance threshold is set at 96% in line with national attendance data.

Ash	Beech	Sycamore	Oak
93.8%	94.4%	100%	95.8%

Thank you for your support in ensuring your children are in school regularly and making the most of their educational opportunities. Congratulations to the winners – **Sycamore class!**

#### **Keslowena/Congratulations to our Celebration Award Winners**

Ash	Star of the Week – Ellie H Superstar Learner – Elsie B
Beech	Star of the Week – Dorian P Superstar Learner – Ovie M
Sycamore	Star of the Week – Charlotte C Superstar Learner – Beau C
Oak	Star of the Week – Noah M Superstar Learner – Amelie B

### CELT Learning Chronicles for prestigious TES Award

CELT has been shortlisted for this year's Tes Schools Awards, which shine a spotlight on the outstanding work taking place in schools nationwide.

Our Learning Chronicles are up for the new award of 'Teacher Development Initiative of the Year',

The Learning Chronicles are a truly sector-leading framework for delivering the trust's vision of an exceptional educational experience for every pupil, every lesson.

We know that to do that, we have to deliver an exceptional educational experience for our teachers too. That's why empowering our people is central to our trust goals.

Whoever wins the award, we are delighted that the work we are doing to meet this goal is being recognised nationally.

We'll keep you posted!

### Tuesday 5<sup>th</sup> May: Treetops Wraparound Club and Musical Theatre Club

Due to a whole staff team meeting, there will be no Treetops or after school club (musical theatre) on Tuesday 5th May. Any existing bookings have been cancelled and credited via ParentPay.

Apologies for any inconvenience caused.

---

### Warm Weather

We are really looking forward to the thought of some lovely weather this week and so we just want to remind you about sun safety precautions.

Please make sure your child brings a drink bottle and cap/sun hat to school every day. Sun cream - we would recommend that you apply an 8 hour sun cream before your child comes to school. If you choose to send your child with sun cream to reapply at lunchtime please note that they will be responsible for looking after it (kept in book bags) and applying it. Children have to apply any sun cream themselves so roll on is therefore the best option. We will of course remind children about applying sun cream, wearing caps and drinking plenty.

---

### Wraparound Clubs

- A reminder to please book wraparound clubs by the **Thursday** for the following week/s.
- 

### Thank You

A huge thank you to Ian for coming to talk to us about his work as a farmer and for bringing some calves to visit us. We also enjoyed having a go at sitting in the tractor.

## Spring Summer Newsletter Primary Schools

Welcome back to the Summer term!

We wanted to take an opportunity to give some insight into our food, and the projects we deliver to ensure your children get nutritious food to give them the energy to learn, explore and play at school.

We believe that it is not only our responsibility to provide menus that meet the School Food Standards, but also to focus on wider public health projects that link in with national and local initiatives.

Here are some of the projects we worked on over the past year...

### Food For Life

Everyone eating a Caterlink primary school lunch can be sure that they are eating from a menu that meets the Food For Life Served Here Silver standard, at a minimum.

**2009**

Caterlink were the first contract caterer to achieve the award and have achieved the award every year since!

**2025**

We then became the first contract caterer to achieve full certification for all our primary schools across the UK!

### What does it mean?

**COOKED FROM SCRATCH**  
At least 75% of our meals are freshly prepared.

**SERVING LOCAL FOOD**

At Silver and Gold levels, we are rewarded for using local ingredients.

**SEASONAL PRODUCE**

Menus make the most of seasonal ingredients.

We can trace our meat **BACK TO THE FARM**

**MORE OF THE GOOD STUFF**

Free from undesirable additives, colouring and sweeteners.

### Nutritious Menus

**Fibre** In the most recent menu, children were offered 100% of their school lunch fibre goal! How did we manage this?

- Using oats in our desserts, such as crumble toppings, flapjacks and oat cookies
- Using 50/50 brown and white rice to serve with dishes like curry and chillies
- Using 50/50 wholemeal flour for our pizza base
- Adding beans and pulses to meat dishes (our Added Plant Protein range)

#### Our 'Fibre Heroes'!

### Fruits and Vegetables

#### The Stats

Scientists have proven that people who eat a more diverse diet (**30+ different plants each week**) have improved digestion and improved overall health.

Children who choose a Caterlink school meal daily have **over 25 different plants per week** just in their school meals!

Number of Plant Points (Main, Sides and Dessert)

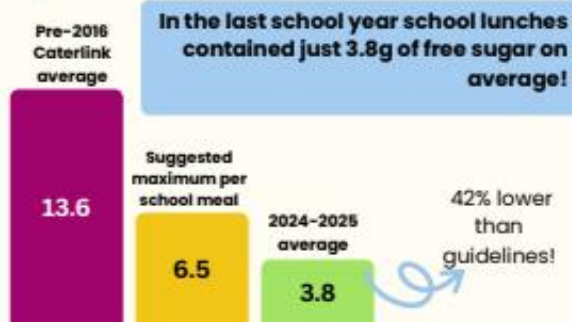

Each Caterlink school meal offers an average of 3.5 portions of fruit and veg - over half of your five a day!

### Sugar Reduction

Since September 2016 we have ensured that our lunches not only meet the government recommendations for free sugars, but are actually much lower!

Last term five out of the fifteen desserts offered contained NO sugar!
