Notenn a-dhia Penndhyskader/Note from the Headteacher

What a busy week it has been in school. We are well and truly in the testing season and I couldn't be prouder of our year 6 pupils. We strive to ensure that pupils see the SATS as important without becoming overwhelming and I must say that they passed that particular test with flying colours!

We wait for the final results in July but are optimistic of continued success with our national benchmark data. The children are so much more than data though and what a delight it has been to be part of the year 6 team again. We are proud of each and every one of the

Have a great weekend.

Year 6 SATS – a big thank you!

Year 6 have had a very busy and intense week with their end of key stage 2 SATS. They have just finished their final test and are enjoying some well deserved R&R.

I wanted to say a massive thankyou to everybody involved in giving these children the best possible opportunity to achieve their very best. We know that tests such as SATS do not tell the whole story of these young people. The struggles they may have in their lives, the effort they put into their learning, the morals and character they show each and every day. There is no SATs test for that (unfortunately) but we recognise that it is what makes them such a pleasure to work alongside in our school community.

Thanks to you, parents and carers, for supporting our work and standing shoulder to shoulder with us. To the teaching staff from across the whole school who know these children deeply and pull together to support them on a week like this.

You might have heard year 6 cheer from across the village when they finished so it feels like now is the time to celebrate together!

Best regards...Mr Cooper
