Curriculum Guide

Ash Class—Reception and Year 1

Autumn 1 2026

Marvellous Me

PSHE

Jigsaw - Being Me In My World

Children will discuss rights and responsibilities, choices and consequences. The children will talk about being special and how to make everyone feel safe in their class as well as recognising their own safety.

Art and Design /

Design and Technology

Children will explore line, shape and colour through drawing and looking at artwork. They will use different types of lines and shapes to create pictures, begin to talk about artwork they like, and experiment with making colours lighter and darker.

RE

Who do Christians say made the world?

Children will learn about the Christian creation story, its key events and important vocabulary. They will begin to understand that Christians may have different beliefs about creation and explore how Christians show care for the world and thank God for it.

English - Drawing Club

Texts for this half term

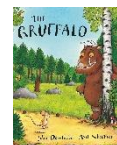

We're Going on a Bear Hunt
Goldilocks and the Three Bears

Little Red Riding Hood

The 3 Little Pigs

The Gruffalo

Little Red Hen

White Rose Maths

Place Value (within 10)

Geometry - Shape

PE

Ball Skills and Gymnastics

Children will develop their ball skills through throwing, catching, rolling and bouncing, working independently, with a partner and as part of a team. They will also explore gymnastics by travelling, balancing, jumping and creating simple movement sequences, while learning to use equipment safely and improve their performance.

Science

Animals Including Humans

Children will learn how to name and label human body parts and find out about the 5 senses.

When working scientifically, children will compare and group body parts, recognise pattern in data and use these to answer questions. They will record data in a table and measure using non-standard units.

Geography

Children will learn about the countries and capitals of the UK, the seven continents and the five oceans. They will begin to understand where the UK is located within the wider world.

Computing

Children will learn some basic keyboard skills.

Music

Children will explore how to use their voice and bodies to make sounds, experimenting with tempo and dynamic when playing instruments and identifying sounds in the environment.
