

Maths

Place Value

Addition and Subtraction

Y2: Children will be comparing numbers within 100 and partitioning numbers into tens and ones.

Y3: Children will begin to work with numbers to 1000, comparing, ordering and estimating on a number line.

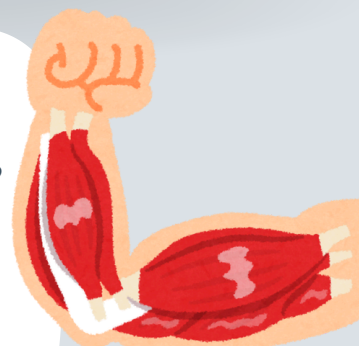

Science

Y2: Living Things: Habitats

We will explore what all living things need to survive.

Y3: Animals: Movement and nutrition

Children will find out about how bones and muscles support movement.

R.E.

Y2: Who do Christians say made the world?

We will explore the Christian story of Creation.

Y3: A Hindu Story: Rama and Sita

We learn about what this story teaches Hindus about their faith and beliefs.

Geography

Y2: Where are we in the world?

We will learn about the continents and oceans and where they are located.

Y3: Rivers

We will discover the River Indus and how it changes peoples' lives.

English

The Three Little Pigs

We will be exploring the story 'The Three Little Pigs' by Axel Scheffler. We will learn the story by heart and describe the characters in detail. We will then write our own stories with a similar theme.

History

Y3: Ancient Egypt

During our Opening Worlds sessions, we will learn about how Ancient Egyptians lived and how Ancient Egypt changed over time. We will discover why Howard Carter was important.

P.E.

Multi-skills: Throwing and catching

We will learn and practise ball skills including throwing and catching with accuracy, as well as thinking about the skills needed to throw overarm and underarm.

Art and Design

Drawing: Understanding tone and texture

Children will explore how artists use different tones using the same drawing material. We will sketch and refine drawings and create an observational drawing.

Cornish

The story of Goolan

Children will explore the story of Goolan, a hungry seagull, with a setting in a parallel Cornish universe! This will continue to build on their knowledge of the Cornish language.

Music

Animals: Call and response

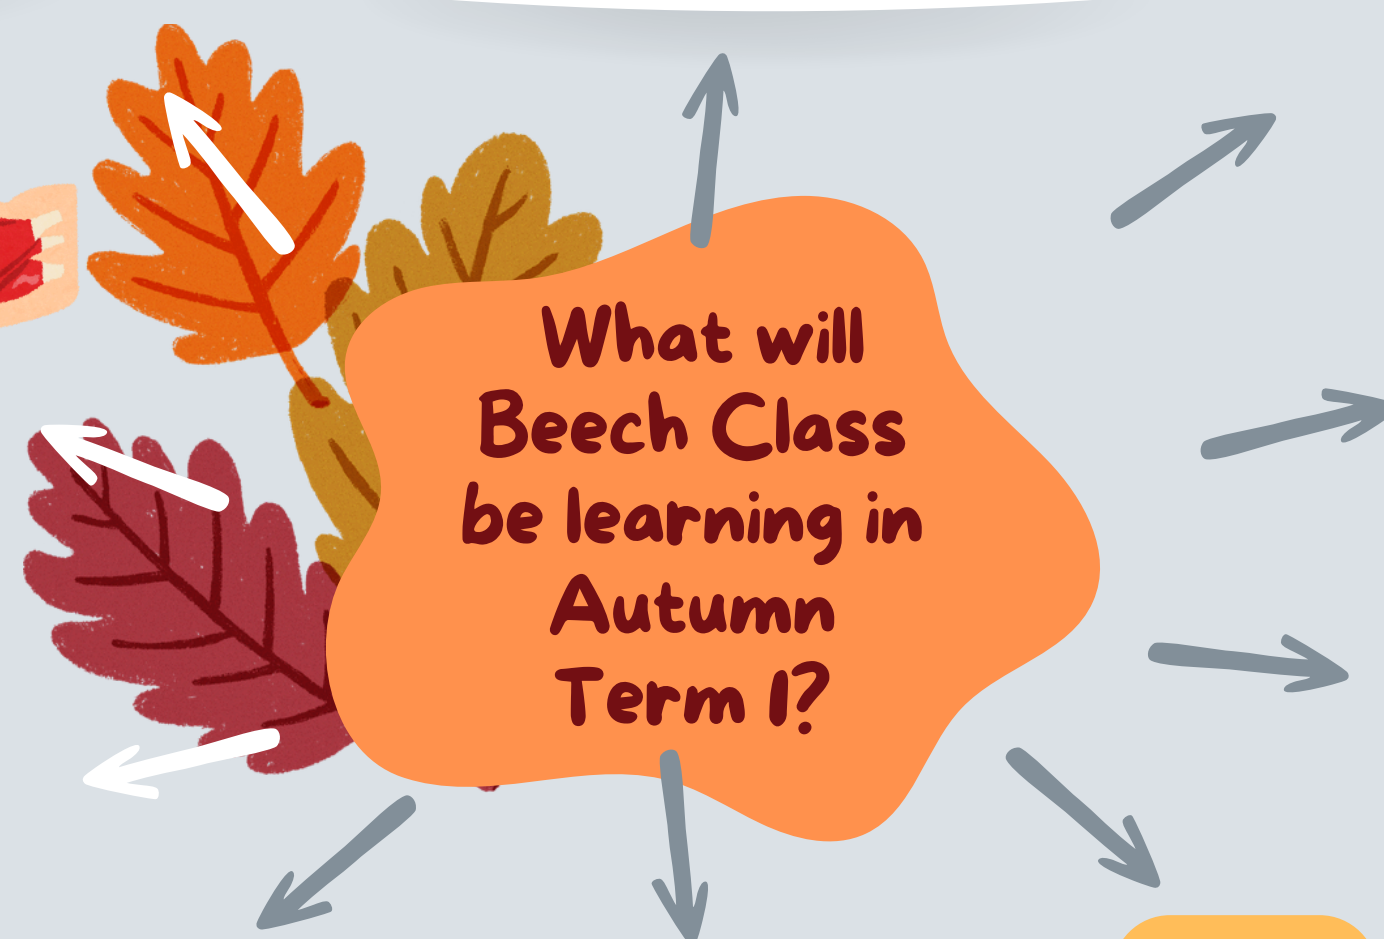

Children will explore animal sounds and how these can be represented with different musical instruments. We will create a sound pattern safari and learn more about the skills of musical performance.

P.S.H.E

Being Me in My World

Children will talk about their hopes and fears for the year, as well as their rights and responsibilities as a member of Beech Class and of Luxulyan School.

What will
Beech Class
be learning in
Autumn
Term 1?
