

English Reading Our text for our reading this year is The Final Year by Matthew Goodfellow. We will be using a CELT approach co designed by Chris Such. Exploring fluency, close reads and extended reads. Writing The Final Year is also our writing inspiration and for our first piece of writing we will be writing and first-person diary entry. 	Maths Within our mathematics we will be focusing on: Fluency- we will be looking at using our number facts $6 + 7$, $8 + 7$ and $9 + 7$ to quickly calculate addition up to 20. This will support our WWN and our White Rose work White Rose - This year our $5 + 6$ curriculum follow an aligned mixed age curriculum and small steps. We will start with Place Value before exploring addition and subtraction.	Science This half terms science focusing on Materials and their properties. We will look at particles that make up substance and whether substances are pure (one type of particle) or a mixture (two or more particles) 	History Our history this half term moves on the spread of Islam to the great city of Baghdad and the spread of education and knowledge. We will  explore its creation and the role it played in collecting knowledge and inspiring European universities.	Geography Whilst following our Opening Worlds Geography we have been learning about the water cycle, rivers and the importance of precipitation when exploring deserts. We will  be exploring why California has water troubles and the factors that affect this.
Computing We will use our Purple Mash program to explore online safety. Year 5/6 are also open to the computing club run by Mr Kellow every Thursday after school	Design + Technology During this half term we will be looking to explore textiles and hopefully end with a stuffed toy that we designed.	RE Within our RE curriculum, we will start to explore the stories of the Muslim prophets. Including the foundation story and other tales that link very much with the Torah and Old Testament. 	PE Our PE sessions are on Monday and Friday. Monday's will focus on the invasion game of hockey. Fridays will be structured around fitness and games for fun. PSHE We will be using Lyfta to explore some worldwide issues and differing cultures and lives. For our personal PSHE will continue to use Jigsaw and explore being me in my world.	Languages Cornish As we further explore our Cornish curriculum, we are discovering how to communicate feelings and emotion. Spanish This half term Oak Class will focus on Cornish as their language.
